HINTS & TIPS USING SUGARPASTE & MARZIPAN

Using spacers to achieve an even thickness of marzipan and sugarpaste

Smoothers are used to create a professional finish to marzipan and sugarpaste cake coverings

Modelling tools can be used with marzipan, sugarpaste and flower paste to obtain a wide variety of textures, shapes and finish

Basket weave rolling pins can also add texture and interest to cutout shapes

Our team of highly talented teachers include international authors, contributors to magazines and gold medal award winners.

www.facebook.com/KnightsbridgePMESchoolofCakeDecorating

Our International school in Enfield is one of the largest independent cake decorating schools in the UK and regularly attracts students from around the world.

Its team of highly talented teachers include international authors, contributors to magazines and gold medal award winners.

Our school program includes a wide variety of cake decoration skills and techniques, providing courses for Beginners, Enthusiasts and the Professional.

The large air conditioned classrooms ensure that students have plenty of comfortable working space in a bright open plan environment.

Our on site car park provides plenty of parking and can accommodate both coaches and cars.
